No Back Packs

Because of the size limitation of the children's cubbies (where they store their belongings), please **do not** purchase a backpack for your child. Instead, the children will decorate canvas tote bags as one of our first kindergarten art projects. I will provide bags and fabric paint. Please send \$8.00 in an envelope with your child's name on it during the first week of school. This will cover the cost of art materials.

Green is our favorite color!

This year, we will learn lots about the earth – recycling and reusing will be ongoing themes. Please keep this in mind as you prepare for lunches this year - lunch box rather than lunch bags, reusable containers rather than plastic baggies etc. We are involved in a Capri Sun recycling program so think Capri Sun for lunch drinks! Our school goal – more compost and recycling – lots less trash!
