Dear Local Business Owner,

When was the last time you were given the opportunity to reach 4,000 local families for just \$100.00? I bet it's been a while!

Our Lady of Lourdes Catholic School is compiling a convenient to grab booklet of local businesses that support our school. All it takes for you to be part of this special list is your current business card and \$100.00. You don't have to do another thing! How easy is that?!

Our school families and parishioners will all receive a copy of this condensed list of local businesses and will be more likely to give your business their support because they know you've given your support to their kids. We are a tight knit community and we stick together!

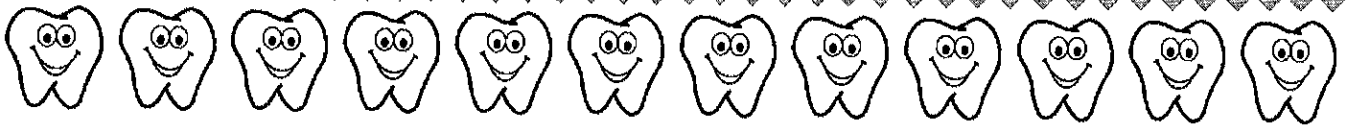

The money we raise will go towards operational costs of our beautiful school which will in turn help our families provide a Catholic education to their most precious little people AND YOUR FUTURE CUSTOMERS!

Please consider supporting our cause. Your contribution will go a lot further than you realize.

Sincerely,

Jennifer Reynaga
Principal
