“It's GREAT to be a Lion!”

WE WELCOME OUR NEW TEACHERS

It is with great excitement that we welcome Mr. Ordaz as the 6th grade homeroom teacher and junior high Language Arts Teacher. He comes to us with high school teaching experience which will help transition our students to their future role as high school students.

For 7th grade homeroom and junior high Math and Science Teacher we welcome Ms. Herrera. Ms. Herrera has many years of teaching experience and deeply loves the subjects of Math and Science.

Both the new teachers and returning teachers look forward to seeing all of you on the 1st day of school, August 17th!

TECHNOLOGY UPDATES HAVE BEGUN!

Beginning last week, the computer labs on both sides of the school have begun their transition to the new and improved computer labs. Thanks to all of your efforts in fundraising this year, the PTO has been able to financially support this much needed project. We have on our team the IT “guy” from CSUN, Mr. Jardinico, who has provided great insight as we tackle this major project.

WE ARE GETTING AN UPDATED WEBSITE!

Again, thanks to all of your fundraising efforts of this year, our school website is getting a facelift! We will let you know when the new website will be ready! It's going to be great!!

SUMMER CAMP

Our Summer Camp program is in full gear. Thanks to Mrs. Prochaska, Ms. Jenrich, Mrs. Cote, Ms. Bonino, and Mrs. Pierson, our students are enjoying this summer program! Academic assistance in the morning and super fun camp in the afternoon is a great hit with the campers. If you would like your child to participate in this summer's program, weekly rates are still available.

THANK YOU!

Once again, a big thank you to all of you, our parents, for a great school year! It is an honor to be your principal and work with all of you throughout the school year. May the 2016-2017 school year be another great year filled with many blessings!
